

CONTENT

BIOLOGICAL RESOURCES

- Tunyov V.E., Grigoryev S.S.*
Current state of broad whitefish reserves of the Taz river basin 4
- Interesova E.A., Rostovtsev A.A.*
Current state of *Abramis brama* (L.) fishing population in the Middle Ob
(within Tomsk region) 12
- Zaytsev V.F., Egorov E.V., Shipovalov L.A.*
Length frequency of young Siberian sturgeon (*Acipenser baerii* Brandt) in the river Irtysh
of Omsk region 20

FISHERIES AND AQUACULTURE

- Volkova N.I., Kryuchkova G.N., Mikhaleva T.V., Polyayeva K.V., Sharypov R.S.*
Biological productivity of lake Khabalyk
and efficiency of its use for fishing..... 27

ECOLOGY

- Leskovaya L.S., Mikhaylova L.V.*
Dynamics of growth, survival rate, and maturation Amur sleeper (*Perccottus glenii*
Dybowski, 1877) in fish tanks with oil-polluted soil 37
- Mikhaylova L.V., Chemagin A.A.*
Macrozoobenthos of the Lower Irtysh on the territory of Tobolsk and Uvatsk districts
of Tyumen region..... 44
- Mikhaylova L.V., Stepanova N.Y.*
Concept of development of norms of content
of polluting substances and mixtures in bottom sediments and soils
of freshwater reservoirs important for fishery 56
- Prusevich L.S., Tsapenkov A.V., Zaytsev V.F., Efanova U.V.*
State of zooplankton of Ik lake (Omsk region)
in relation with changing ecological conditions 66
- Bychkova L.I., Yukhimenko L.N., Gorbunov A.V., Ivanova Y.S.*
Microbiocenosis of water and fish in Senezh lake in Moscow region 76

PARASITOLOGY

- Kapustina Y.A., Osipov A.S., Shirshov V.Y., Taradanov I.N., Shpak R.M.*
Current information about epizootic state of fishing water reservoirs and fisheries
of Tyumen region..... 84
- Rules for authors of Bulletin of Fisheries Science..... 96
