FISHERIES AND AQUACULTURE

Semenchenko S.M.

- Efficiency of artificial reproduction of the Posolsk subpopulation of Baikal omuls
(*Coregonus migratorius*) 4

Vinogradov E.V., Simonov V.M.

- Changes in biochemical parameters of mucus and blood of fish resistant to stress 24

Korolyov A.E., Lyutikov A.A., Kostyunichev V.V.

- Survival rate of spawn of a peled and broad whitefish crossbreed
(*Coregonus peled* × *C. nasus*) inseminated at different moments of time
after harvesting 35

Kovalenko M.V., Krasilnikova A.A., Kobozev A.O.

- Comparative assessment of dry all-in-one feeds manufactured in Europe
in breeding of the Amur carp (*Cyprinus carpio haematopterus*) 37

BIOLOGICAL RESOURCES

Abramchuk A.V., Pashinova N.G., Moskul G.A.

- On biology and morphology of the *Mugil soiuy*
(*Liza haematocheila* Temminck & Schlegel, 1845) 45

Kirillov A.F., Sveshnikov Y.A., Burnashev A.A., Kuzmina L.I.

- Outcomes of introduction of the *Coregonus peled* to lake Toguyar (Viluy River basin) 54

*Interesova E.A., Babkina I.B., Suslyayev V.V., Blokhin A.N., Reshetnikova S.N.,
Babkin A.M., Kolesov N.A.*

- Acipenser ruthenus* L. In the Middle Ob basin (within Tomsk region).
Distribution, dynamics of the trade, and age and growth 60

ECOLOGY

Karagodin V.P., Yurina O.V.

- Potential hazards of pollutants present in hydrobionts of Northern seas 72

Mikhailova L.V., Aleksandrov A.S., Rychkova A.S.

- Pollution and phytotoxicity of bottom soils of watercourses
within the area of a flowin oil well No.36-RG in Tobolsk district of Tyumen region 80

Konkova A.V., Fedorova N.N., Ivanov V.P., Karygina N.V., Popova E.S.

- Assessment of morphological and physiological state of young *Abramis brama*
(Cyprinidae: Cypriniformes) in the context of oil pollution of Northern parts
of the Caspian sea 93

- Rules for authors of Bulletin of Fisheries Science 104
